Scope

Wise County is now accepting formal sealed bids for a contract for the purchase of Magnesium Chloride road surfacing materials for road construction applications.

This contract will be effective from October 1, 2023 through September 30, 2024.

This contract may be canceled with 30 days written notification by either party to the other.

Specifications

It is the intent of these specifications to describe Magnesium Chloride materials suitable for use on county road construction.

Any catalog, brand name, or manufacturer's reference used in describing an item is merely descriptive and not restrictive unless otherwise noted, and is used only to indicate type and quality of material. Bidders must state exactly what they intend to furnish. If bidder takes no exception to specifications or reference data, he will be required to furnish items as specified in the bid.

The County is seeking prices for materials delivered and applied by the bidder's personnel and equipment.

This bid is for Magnesium Chloride as a liquid solution used for dust control on the roads.

Bid per manufacturer's recommended specs

Estimated Quantities

Because Wise County's needs are seasonal in nature, it is not feasible to offer prospective bidders estimated quantities needed during the year. Wise County will in no way be bound to purchase any predetermined amounts under this contract. All purchases will be based on the county's actual needs.

General Contract Terms and Conditions

The contract price for this service must include all ancillary costs associated with the service.

The bidder reserves the right to charge any price desired as long as it does not exceed the bid price.

All invoices will be paid on a net 30 basis. No late fees or interest charges are to be assessed against the county.

Invoices must show the address and department where the service was required and the bid number. Each department/precinct must be invoiced separately.

Funds for payment on this contract have been provided through the Wise County budget approved by Commissioners' Court for this fiscal year only. State of Texas statutes prohibit the obligations and expenditure of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that may arise past the end of the current Wise County fiscal year shall be subject to budget approval. The fiscal year for the County extends from October 1st of each calendar year to September 30th of the next calendar year.

The bidder must provide pricing (unit or lump sum) as requested on the bid form. Prices quoted shall remain firm for the period of the contract and shall include the cost of installation if required in the specifications, shipping, and delivery of item to the designated point unless pickup is required and stated in the bid and shall not include Federal or State of Texas sales, excise and use taxes.

The undersigned affirms they have familiarized themselves with the local conditions under which the work is to be performed and have satisfied themselves of matters that may be incidental to the work before submitting a bid.

Bidders must submit their bids on the attached forms and they must be originally signed.

Bids not submitted on these forms will be summarily disqualified. **No ring binders**

Faxed or emailed bids will not be accepted.

By submitting and signing the attached bid forms, each bidder is indicating that he has read and understood the instructions, terms, conditions, specifications, and invitation to bid and agrees to comply with and be bound by its precepts. Submission of a bid form shall constitute an offer on such terms that shall remain open and irrevocable until such time as a bid submitted on same has been accepted by the Commissioners' Court of Wise County, Texas. Acceptance of same by the Court shall create a contract between the parties based upon the instructions, terms, conditions, specifications, invitation to bid, and the bid forms. Any additional terms and conditions submitted by bidders will be considered invalid. Only terms and conditions listed in the Wise County bid documents apply. Any changes to Wise County terms and conditions may result in disqualification of the bid.

Award notice will include information on form 1295 disclosure that must be completed and returned prior to any bid award being considered final, contract being signed by Wise County, any Purchase Order being issued by Wise County, or any notice to proceed with work being issued by Wise County. Wise County cannot advise on the form 1295. If you have questions, the Texas Ethics Commission implemented the law and generated the form so we would suggest calling them at 512-463-5800 or <https://www.ethics.state.tx.us>.

By signing this document, your company will be providing the written verification if required by Texas Government Code Section 2270.002 that the company (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract.

Continuing non-performance of the vendor in terms of specifications shall be basis for termination of the contract by Wise County. Wise County shall not pay for work, equipment, or supplies that are unsatisfactory. Vendors will be given a reasonable opportunity before termination to correct the deficiencies. However, this shall in no way be construed as negating the basis for non-performance termination.

A Conflict of Interest Questionnaire and explanation has been included with this bid packet. If you have any questions about compliance, please consult your own legal counsel. Compliance is the individual responsibility of each individual, business, or agent who is subject to the laws filing requirements.
